

Recreation Therapy Gerontology Diploma Curriculum Toolkit

Therapeutic Recreation is a health care profession that utilizes a therapeutic process, involving leisure, recreation and play as a primary tool for each individual to achieve their highest level of independence and quality of life. Graduates of the Recreation Therapy with a specialization in Gerontology work in a variety of health care settings. Developed using the standards within the Essential Competency Framework for Therapeutic Recreation the curriculum articulates the competencies necessary to practice as a Therapeutic Recreation Professional in Ontario.

The eSSential Recreation Therapy Gerontology Diploma Curriculum Toolkit includes 1450 hours of curriculum, including entry-level and advanced-level practicum placements.

- Pre-screening of the program application in PARIS.
- Creation of the PARIS program application.
- The entry of the program application data in PARIS.
- Customization of market research and job ads within a designated area; maintenance documentation specific to your college; documentation of teaching inventory at your college; and listing of comparative colleges.
- Submission of curriculum files to the independent third-party assessors.
- PARIS program submission and support to achieve the Superintendent's approval.
- Introduction to the publisher's contact to secure supporting instructor resources including PPT Slide Presentation; Practical Activities; Test and Exam banks.

Designed for Private Career Colleges, the Recreation Therapy Gerontology Diploma Program is for colleges who:

- Want a fully comprehensive new or updated curriculum with optional delivery modes available via:
 - **Instructor-led** classroom design with a practicum placement **OR**
 - **Distance education** design meeting the Ministry requirements for a minimum of 20% synchronous and 80% a-synchronous learning with a practicum placement.

About Jerry Bishop:

Jerry Bishop has been providing regulatory compliance and strategic partnership consulting services to Private Career Colleges in Ontario since 2004. 100% of Jerry's programs have received positive distance education, adult education, and subject matter expert independent third-party assessments.
